What a year! Thanks to all who did so much for our chapter this year.

Gina did an exceptional job on FPC 2017. Gina was also responsible for organizing our fall social at Stewart Farms and our July trip to Gem Mountain.

Angie provided great programs for each meeting AND coordinated our scholarship efforts again this year.

We have grown in numbers due to Janet's efforts as Membership chair.

We served over 70 a hot meal during our December service at Triune Mercy Center.

Chris came to our Block Kids competition with some major back-up. Clemson U students helped judge and a real tiger brought his championship hardware for show and tell with

Summit Drive Elementary Students.

With Allison's planning, WIC Week took us back to basics with team building and opportunities to invite guests. Thank you to Kavita for hosting our industry mixer.

Suzanne and Angie awarded more scholarship funds to a Fine Arts Center architecture student.

Thank you to Unique Builders for opening their doors when we needed a meeting place, and to The Copy Spot, which will ever be "NAWIC central."

I am grateful for the ladies who served with me on the board this year. Our chapter is blessed with a membership, though diverse; like-minded with common goals for growth, outreach and over-all success

of the chapter.

Since joining NAWIC, Wanda has been preparing herself to take her turn in service to our chapter and I know 2018-19 will be a wonderful NAWIC year.
