NAWIC Sponsorship Program – Complimentary Membership FAQ

Q: What is the complimentary membership benefit for Gold and Platinum sponsors?

A: Gold and Platinum sponsors receive one complimentary NAWIC membership as part of their sponsorship package. This membership provides access to NAWIC's full range of benefits, including networking events, professional development opportunities, and industry resources.

Q: Can the complimentary membership be transferred to someone else?

A: Yes! If the designated sponsor representative chooses not to use the complimentary membership, it may be donated to an employee, a valued client, or a student currently studying a trade or construction-related field.

Q: Can we sponsor a chapter meeting or event in lieu of using the complimentary membership?

A: Yes. If you choose not to utilize the complimentary membership, you may elect to sponsor a chapter meeting or event of equivalent value instead. This is a great way to support member engagement and gain additional brand visibility.

Q: What happens if we do not use the complimentary membership?

A: This is a "use it or lose it" benefit. If the complimentary membership is not activated during the sponsorship term, it will be forfeited. NAWIC does not offer refunds, pro-rated dues, or prepayment for future years.

Q: How do we donate the membership to someone else?

A: Simply notify our sponsorship coordinator of the recipient's name, contact information, and eligibility (e.g., employee, client, or student in the trades). The recipient must meet NAWIC membership criteria to activate the benefit.

Q: Can the complimentary membership be split, paused, or rolled over?

A: No. The membership is non-transferable mid-term, non-refundable, and must be used within the active sponsorship year. It cannot be paused or carried into the next sponsorship cycle.
